# Pushkar Jatla

Pune, Maharashtra, India | +91-9370718772 | pushkarjatla02@gmail.com | <u>Linkedin</u> | <u>Github</u> | <u>Portfolio</u>

## OBJECTIVE

Passionate Full Stack Developer skilled in React, Next.js, and Node.js, eager to build scalable web applications that enhance user experience and performance. Seeking to contribute to impactful projects in a collaborative environment.

## SKILLS

**Languages:** Javascript, Typescript, SQL

**Technologies:** HTML, CSS, Bootstrap, TailwindCSS, Material UI, React.js, Next.js, Node.js, Express.js, MongoDB, PostgreSQL, Git, Github, n8n, SDLC

## WORK EXPERIENCE

**MediBuddy, Bangalore, India — Oct 2024 – Jan 2025**
*Software Development Engineer in Test*
- Automated bulk data workflows using n8n, reducing manual effort from 15 days to 2-3 days.
- Integrated intelligent ad targeting strategies, leading to significant revenue growth within 3 months.

**SMIT Solutions, Pune, India — Apr 2023 – Jul 2023**
*React Developer*
- Developed responsive UIs using React.js, Axios, and REST APIs.
- Improved user experience and accessibility with responsive design for an E-Learning platform.

## PROJECTS

**CompareWise - Shop Smarter**                                     Github | Live Demo
*Next.js, PostgreSql, Gemini AI*
- Built a platform to help users discover and compare products from multiple e-commerce sources in one unified view.
- Optimized performance with debounced budget filtering for smooth, responsive product discovery.
- Enhanced user experience with AI integration for smart recommendations and query assistance.

**ManageMate - Employee Management System**                        Github | Live Demo
*React.js, Bootstrap, Material UI*
- Organizes and centralizes employee records with a user-friendly, responsive interface.
- Monitors attendance, performance, and other key metrics in real-time for better decision-making.
- Boosts HR productivity with quick access to comprehensive workforce insights and actions.

## ACHIEVEMENTS

- Secured 3rd Prize in Final Year Project Exhibition
- Solved 100+ programming problems across platforms like LeetCode

## CERTIFICATES AND TRAININGS

Software Development Trainee — Techno Elevate, 2024

Complete Web Development Bootcamp — Udemy, 2023

## EDUCATION

**Dr. Babasaheb Ambedkar Technological University**                **Lonere, Maharashtra**
*B.Tech in Computer Science — Graduated Jun 2024 | CGPA: 7.89*
